

Rock River Linux Users Group (RRLug)

can help you learn to leverage your computer's power, increase your computer's reliability, minimize security risks, and have fun along the way. Are you part of a church, school, non-profit organization, or just don't want to spend all your hard earned money feeding an ungrateful corporate giant? Linux could be the answer!

Linux and Open Source Technology Topics

Linux System Basics
Open Source Software
Software Development
Scripting Languages
Graphical Desktops
Image Processing
Linux Games
Web Servers

Embedded Development
System Usage / Testing
Single Board Computers
System Administration
Raspberry Pi / Odroid
Arduino / Parallax
Installation Help
DevOps

RRLug meets the 2nd Thursday of each month at 6:00pm in the Rasmussen College boardroom (3rd floor) in Rockford, Illinois. There is no cost and anyone interested in Linux and Free/Open Source software is welcome!
