

# **Rock River Linux Users Group (RRLug)**

can help you learn to leverage your computer's power, increase your computer's reliability, minimize security risks, and have fun along the way. Are you part of a church, school, non-profit organization, or just don't want to spend all your hard earned money feeding an ungrateful corporate giant? Linux could be the answer!

## **Linux and Open Source Technology Topics**

**Linux System Basics**  
**Open Source Software**  
**Software Development**  
**Scripting Languages**  
**System Security**  
**Web Technology**  
**Virtualization**  
**General Q&A**

**Embedded Development**  
**Single Board Computers**  
**System Administration**  
**Container Technology**  
**Raspberry Pi Projects**  
**Performance Tuning**
