

Rock River Linux Users Group (RRLug)

can help you learn to leverage your computer's power, increase your computer's reliability, minimize security risks, and have fun along the way. Are you part of a church, school, non-profit organization, or just don't want to spend all your hard earned money feeding an ungrateful corporate giant? Linux could be the answer!

Linux and Open Source Technology Topics

Linux System Basics
Open Source Software
Software Development
Scripting Languages
System Security
Web Technology
Virtualization
General Q&A

Embedded Development
Single Board Computers
System Administration
Container Technology
Raspberry Pi Projects
Performance Tuning
Amateur Radio
DevOps

RRLug meets virtually on the 2nd Thursday of each month from 6:00pm - 10:00pm from Rockford, Illinois.

There is no cost and anyone interested in Linux and Free/Open Source Software is welcome!
